DETAILED ACTION

Response to RCE/Amendment

The RCE/amendment filed on 1/5/04 has been received and acknowledged to be found persuasive in view of the prior art of record.

Allowable Subject Matter

Claims 1-6 and 9-19 are allowed.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance: The prior art of record does not describe or suggest a continuous inert gas flow into a chamber during all wafer transfers into subsequent chambers as claimed. The claims, therefore define over the prior art. Any comments considered necessary by applicant must be submitted no later than the payments of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
